Property Description

Horizon One is the first in a striking collection of contemporary villas by acclaimed Belgian architect Gie Wollaert, set in the breathtaking Monte Mayor estate on the Costa del Sol. Designed to blend seamlessly into its natural surroundings, this elegant “hanging house” offers peace, privacy, and panoramic sea and mountain views, with on-site amenities and 24-hour security. The villa features a spacious open-plan living area flowing onto terraces and a dramatic infinity pool, four en-suite bedrooms plus a flexible extra room, and optional additions such as a gym, double garage, or private lift. Built to the highest standards with underfloor heating, Aerotherm air conditioning, and Miele appliances, it will be completed in under a year through an innovative off-site construction process, offering excellent lifestyle appeal and strong investment potential.
